

Who We Are and What We Can Do For You

By Jim Sandstrum, MA, CCC-SLP

When?

March 10, 2010

1:00-2:00pm

Where?

Developmental Disabilities Resource Center (DDRC)

11177 W. 8th Ave., Ste 300

Lakewood, CO 80215

Assistive Technology Partners is a program of the University of Colorado, Anschutz Medical Campus whose mission is to assist persons with cognitive, sensory, and/or physical disabilities to reach their highest potential at home, school, work, and in the community through the use of appropriate assistive Technology (AT). This 1-hour session will provide an overview of our core services and activities while at the same time touching on various topics in AT including cognitive aids and literacy supports.

This presentation is free and open to the public.

You can register by emailing paula.emeson@ddrcco.com

or by calling 303-233-3363
