Sponsorship Opportunities Summit of Hope 2020

Our annual Summit of Hope community awareness and fundraising event will be held on Zoom this year: three sessions are planned for October 14-15. During these 30-40 minute gatherings, we'll share inspiring stories straight from the people we serve, provide an update on how we've adapted to continue our work during the pandemic (and beyond), and ask guests to invest in our work.

Holding this event online will be a new experience, but it will enable even more participation from our local community and greater exposure for our partners. Please consider participating as a sponsor!
