INDEPENDENT AUDITORS' REPORT

Board of Directors
The Arc - Jefferson, Clear Creek & Gilpin Counties
Lakewood, Colorado

Opinion

We have audited the accompanying financial statements of **The Arc - Jefferson, Clear Creek & Gilpin Counties** (a Colorado nonprofit corporation), which comprise the statement of financial position as of June 30, 2026, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Arc - Jefferson, Clear Creek & Gilpin Counties as of June 30, 2026, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Arc - Jefferson, Clear Creek & Gilpin Counties and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Arc - Jefferson, Clear Creek & Gilpin Counties' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of financial assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Arc - Jefferson, Clear Creek & Gilpin Counties' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregative, that raise substantial doubt about The Arc - Jefferson, Clear Creek & Gilpin Counties' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited The Arc - Jefferson, Clear Creek & Gilpin Counties' 2025 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 19, 2025. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2025, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

NOTE 1 - DESCRIPTION OF THE ORGANIZATION

The Arc - Jefferson, Clear Creek & Gilpin Counties (The Arc or Organization) promotes and protects the human rights of people with intellectual and developmental disabilities (IDD) and actively supports their full inclusion and participation in the community throughout their lifetimes. The Arc serves individuals from birth through the end of life in our three-county area.

Life-changing support is provided in a number of ways at The Arc.

Empowering Families
Family members are often a person's lifelong advocate and typically the people who know the individual best. This program develops and strengthens advocacy skills in family members as they support the needs and desires of the individual with IDD whom they love. The Arc teaches people how to ensure that an individual can lead a full, self-directed life with the right support.

Supporting Self-Advocacy
The most important voice in any conversation about someone's life is that of the individual with disabilities themselves. Through this program, The Arc builds advocacy skills and confidence in people with I/DD of all ages and encourages them to speak for themselves whenever possible.

Expanding Community Access
The systems that support individuals with IDD are critical to their lives. This program ensures that The Arc represents the needs of our community locally, at the state level, and at the Federal level, and helps to create positive systems change that truly makes lives better.

Changing Community Perceptions
One of the biggest obstacles people with IDD encounter is the public's perception of them. Through this program, we work to dispel myths, correct misconceptions, change attitudes, and help people see individuals' abilities and worth. As a result, we will create a welcoming community where everyone is valued and respected.

Through recent surveys, focus groups, and direct feedback, The Arc is both listening and responding to our community's needs. Advocacy has been re-organized to focus on the specific needs of three age groups: children/families, teens/young adults, and adults – knowing that each stage of life comes with its own desires and challenges. We're engaged both proactively and responsively to support our community.

The Organization is supported primarily through arc Thrift Store funding.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

1. Basis of Accounting

   The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

2. Basis of Presentation

   The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles which require the Organization to report its financial position and activities according to the following net asset classifications:

   Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and board of directors.

   Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity.

   Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

   Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service.

3. Cash and Cash Equivalents

   Cash and cash equivalents are considered to be all unrestricted highly liquid investments with an initial maturity of three months or less. Cash and cash equivalents does not include those amounts held for long-term investment purposes.

4. Leases

   The Organization determines if an arrangement is or contains a lease at inception and whether it will be classified as an operating or finance lease based upon the accounting criteria. Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. The Organization uses the rate implicit in the lease if it is determinable. When the rate implicit in the lease is not determinable, the Organization uses its incremental borrowing rate to determine the present value of the future lease payments. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization applies the short-term lease exemption of not recognizing a ROU asset and lease liability for leases that have terms of 12 months or less. Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES (Continued)

5. Capitalization and Depreciation

The Organization follows the practice of capitalizing all expenditures for land, buildings, and equipment of $5,000 or more. The fair value of donated assets is similarly capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

6. Investments

Investments are reported at fair value, and classified and disclosed in one of the following categories:

Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date. The types of investments included in Level 1 include mutual funds, listed equities, listed derivatives, cash and cash equivalents.

Level 2 – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. Investments which are generally included in this category include corporate and government bonds, less liquid and restricted equity securities, and certain over-the-counter derivatives.

Level 3 – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include limited partnership interests in corporate private equity and real estate funds, funds of hedge funds, and distressed debt.

7. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

8. Income Taxes

The Organization is exempt from Federal and State income taxes under the provisions of Internal Revenue Code Section 501(c)(3). Accordingly, no provision or liability for income taxes has been provided in the accompanying financial statements.

9. Functional Reporting of Expenses

For the year ended June 30, 2026, the costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain categories of expenses attributable to program services or a supporting function are allocated on a reasonable basis that is consistently applied. The significant expenses that are allocated include salaries, payroll taxes and benefits, and contractor services which are allocated based on time and effort. Occupancy costs are allocated based on use. Other expenses are allocated based upon the program or supporting service benefited.

During the fiscal year, the Organization made a discretionary contribution of 5% amounting to $56,834.

NOTE 10 - UNEMPLOYMENT INSURANCE

The State of Colorado allows a tax-exempt, nonprofit two methods of paying costs of unemployment insurance. An organization may elect to be a "contributing" employer meaning they choose to pay a quarterly premium based upon the payroll paid. Separately, an employer can elect to be a "reimbursing" employer, meaning the organization will fund unemployment benefits if any are assessed against the organization. The Organization has elected the latter method. The Organization has a deposit in the amount of $8,034 with the State of Colorado against future claims.
